

**REMARKS**

Applicants thank the Patent Office for the careful attention accorded this Application and respectfully requests consideration in view of the Amendment above and remarks set forth below.

In response to the Office Action mailed November 2, 2004, Applicants have amended claims 93-96, in order to correct errors of a typographical nature, and to avoid any basis for rejection under 35 U.S.C. 112.

Applicants have also amended the Abstract of Disclosure to avoid any basis for rejection under MPEP 608.01(b).

In view therefore, of the Amendment and Remarks set forth above, the present invention defined by newly amended Claims 93-96 is firmly believed to be neither anticipated by, nor rendered obvious in view of the prior art of record, and that the present application is now in condition for allowance.

Favorable action is earnestly solicited.

The Commissioner is hereby authorized to any fee deficiencies to Deposit Account No. 16-1340. A copy of this page is enclosed herewith.

Respectfully submitted,

Dated: January 3, 2005
